

Class update for 11-6-10 and Homework for Level 1 Girls

AS WR WB Parents and Students,

Last class I was out, but my substitute teacher did chapter 4 with the students.

May Allah reward her for helping me out, Ameen!

The students read the chapter and discussed its contents, They also did the written worksheet for it. In this week's class I will quickly review the chapter with the class again and finish the last two questions.

**Homework:** Please read Chapter 5 - Islamic Greetings.

We will have our class as usual. The hajj program will be the 3rd period for this class, inshaAllah!

Jazak Allah Khair.
