

Calling All Creative Designers!

Congratulations! You have been hired to help teach ICN Weekend School about... IBADAH! Your task is to come up with a **creative** way (a poster is not creative) to teach other students about Ibadah and its importance! You must include:

- ✎ What Ibadah is and definition (Explain it to us... pretend we have no idea!)
- ✎ 3 or more examples of Ibadah we can do EASILY in our daily life (and on the go... for example, we cannot read Quran while riding our bike ☺)
- ✎ Why should we use these examples to do Ibadah in our daily life
- ✎ How Ibadah can take us to Jannah and why it is important
- ✎ Something creative... don't make it boring, make it fun and eye-catching... something no one would miss!

So now that you know what your job is, its time to talk about payment! If you include everything you are supposed to and I (your boss) as well as the class like it, you will earn... 30 POINTS and 3 ICN BUCKS! Otherwise, based on what you have and what you don't, you will earn 0-2 ICN Bucks! Your task is due to your boss on... **DECEMBER 4, 2010 [which is your exam date]!** (But feel free to turn it in beforehand!)

Good Luck!
