SEHORS

During the year the prophet (SAW) was born, Makkah was the most powerful city in the world. King Abraha, from the city of Abyssinia, was jealous and wanted to make his palace the most powerful place in the world. To do this, he starts an army of many soldiers and gives each soldier one elephant. (Fil means elephant.) With this army, he planned to attack the Kabah in Makkah. King Abraha went towards Makkah to attack the Kabah and Allah (SWT) became very angry at his plan. Just as the King was about to attack, Allah (SWT) sent a huge flock of birds with pebbles in their mouths and all the birds dropped the pebbles on the soldiers. All the soldiers and the King died and Makkah was once again the most powerful city. All the Quraish were very thankful to Allah (SWT) for saving them.
