

ICN Weekend School- Islamic Studies-Nov 20th class update
AS WR WB Parents and Students,

We have been having very good discussions in our Islamic Studies Classes,
Alhamdulillah!

Two weeks back our class was all about Hajj. Then we all did the virtual Hajj together. It was a great experience. May Allah give us all the opportunity to have this experience in reality, if we haven't had one already.

Last class, Nov 20th, we revised chapters 4 and 5. We talked about having a balanced attitude of Hope and Fear with Allah (swt). We also discussed the importance of peaceful greetings to one another.

Another very exciting thing we discussed in our last class is about having a *GIRLS PARTY* at my house, InshaAllah! The date and time has not been decided yet. We always talk about how Muslim women should carry themselves and interact in society and with people around them. We also discuss things we can do and wear in public and what we can wear in just girl's parties. So I would like to give them the opportunity to experience this for themselves. InshaAllah we want to have some HALAL FUN!!! I will make sure that my husband is not in the house at that time as well. It will be a potluck and the girls have already given me a dish, which is upon mom approval of course. Ask your daughter what she volunteered for. Most probably it will be a Sunday, around 6 pm. The theme is "Princess". We discussed in detail as to what they can and cannot wear even in girl parties. If you have any questions please feel free to write to me, InshaAllah!

HOMEWORK: I will be giving them a short review quiz from chapters 1 to 5. They just have to read all the chapters once. The questions will be very simple and things that we have talked about in the class already. They can read a chapter a day for the next 5 days. The chapters are very short. Please girls COME PREPARED! You will get reward from Allah for reading your chapters inshaAllah! And remember you get chocolates from me as well.

Jazak Allah Khair
