ICN Weekend School

2010-2011

Assalamualaikum Parents,

This past Saturday the students started a new lesson after taking the quiz the previous week. We did a comprehension activity of Surah Al- Maun in class, and the only homework for next week is lesson 3 in the green Tajweed Packets, questions 2,4, &5.

Also, please revise the Surahs we cover in class with your children, as they are tested on recitation.

Just a reminder, students should be working on the Ibadah project, which is due December 4th.

As always, please feel free to contact me if you have any questions, concerns, comments or dilemmas.

Jazakallah Khair.

Was Salam!
